P.C.

. This petition was called out yesterday in both the sessions and none appeared for the petitioner - wife. Today also none appears for her.

. Writ Petition No.2598 of 2004 filed by the respondent - husband was decided by this Court on 8/7/2005 and while confirming the claim of Rs.5 lakhs this Court (Single Bench) had directed to pay the balance amount of Rs.2,90,000/- within a period of six weeks and thus the respondent - husband was required to deposit the said amount at least by the end of August 2005. We are in October 2006 and thus the cause of action to take cognizance of the alleged

contempt started running from 1st September 2005. Obviously Section 20 of the Contempt of Courts Act, 1971 would not permit us to initiate the contempt proceedings in this petition as of now.

. Hence the petition is dismissed.
